### REMARKS

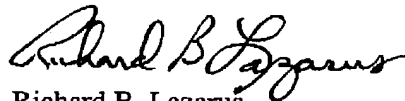

The paper is submitted in response to a telephone call from examiner Aaron M. Dunwoody on May 13, 2004. The examiner indicated that the U.S. Patent and Trademark Office (USPTO) file does not have, as the current copy of the claims, a complete copy of all claims including the withdrawn claims. Mr. Dunwoody requested that a complete copy of the claims including the withdrawn claims, but not the canceled claims, be filed for entry in the USPTO's file.

The undersigned promptly agreed with the examiner's request and this copy of the claims is submitted as requested via facsimile to 703-872-9306. There are no changes to the claims. The present listing of claims 1-6, 9, 11 and 13-25 remain as of record to date.

If any other matter needs prompt attention please telephone the undersigned so that the matter can be promptly resolved.

Respectfully submitted,

BARNES & THORNBURG LLP
